

The **Coast Guard Tactical Law Enforcement Foundation** is a **100% volunteer run** 501(c)(3) non-profit charitable organization that supports the families of seriously injured or killed Deployable Specialized Forces (DSF). We support Deployable Specialized Forces and Coast Guard Tactical Law Enforcement families during tragic times of greatest need with two main programs: the Emergency Assistance Fund (EAF) and the Nate Bruckenthal Memorial Scholarship.

➤ **Emergency Assistance Fund**

When catastrophic events happen, we rapidly dispense EAF support to enable our Deployable Specialized Forces and Tactical Law Enforcement families to focus on what matters the most. The EAF is established to assist our families with travel costs, lodging, living expenses, funeral arrangements, and other extraordinary expenses related to the emergency that the service is not authorized to cover.

This eliminates the need for teammates at the local level have to "pass the hat," and instead frees them up to support the family in more direct ways.

All of this is possible because of the generous ongoing support of our many members and donors. Prior examples include:

- When a member broke his neck in training, we supported hotel and travel costs so his nine-month pregnant wife could stay near him
- Supported a member who suffered the tragic and unexpected loss their child
- Funds for complete childcare of a toddler when a member on deployment to CENTCOM lost his wife unexpectedly

➤ **Nate Bruckenthal Memorial Scholarship**

We have watched DSF personnel work tirelessly toward the mission, willingly sacrificing the opportunity to take advantage of the educational opportunities that exist for service members. This sacrifice shall not go unnoticed. We are very excited to support our community of patriots with the Nate Bruckenthal Memorial Scholarship. The recipient of this scholarship will be named a Coast Guard Tactical Law Enforcement Foundation Scholar and be supported with up to \$10,000 in scholarship benefits.

In close coordination with Mr. Ric Bruckenthal and the Foundation's Board of Directors, we have modeled this program to honor Nate Bruckenthal for what he continues to represent today: a man of great integrity, character, and service. Nate made the ultimate sacrifice for this country. Nate was a committed operator and patriot. Nate is a Brother to this community.

The Annual Coast Guard Tactical Law Enforcement Family Fishing Festival is our newest fund raising activity with 100% of the net proceeds being returned to the CGTLEA community. We intend to obtain as many sponsor donations as possible for our Family Fishing Festival which provides visibility to the good-nature organizations willing to support the efforts of CGTLEA. We support and recommend our corporate sponsors year-round to ensure continued growth for those businesses and our charitable reach. We would greatly appreciate your corporate donation, sponsorship, contribution and participation in our 2018 Family Fishing Festival.

Sincerely,

Nick Alphonso

Dear Applicant:

We're pleased to tell you we determined you're exempt from federal income tax under Internal Revenue Code (IRC) Section 501(c)(3). Donors can deduct contributions they make to you under IRC Section 170. You're also qualified to receive tax deductible bequests, devises, transfers or gifts under Section 2055, 2106, or 2522. This letter could help resolve questions on your exempt status. Please keep it for your records.

Organizations exempt under IRC Section 501(c)(3) are further classified as either public charities or private foundations. We determined you're a public charity under the IRC Section listed at the top of this letter.

Based on the information you submitted in your application, we approved your request for reinstatement under Revenue Procedure 2014-11. Your effective date of exemption, as listed at the top of this letter, is retroactive to your date of revocation.

If we indicated at the top of this letter that you're required to file Form 990/990-EZ/990-N, our records show you're required to file an annual information return (Form 990 or Form 990-EZ) or electronic notice (Form 990-N, the e-Postcard). If you don't file a required return or notice for three consecutive years, your exempt status will be automatically revoked.

If we indicated at the top of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.
